Notable features:

The 1876 map shows one long building running from Saratoga to Sarah Ann. These houses, 300-304, are later, about 1880. These are the same date as 1126-1124 W. Saratoga, and were probably built at the same time. The houses are in good repair, although formstoned. They should be retained.

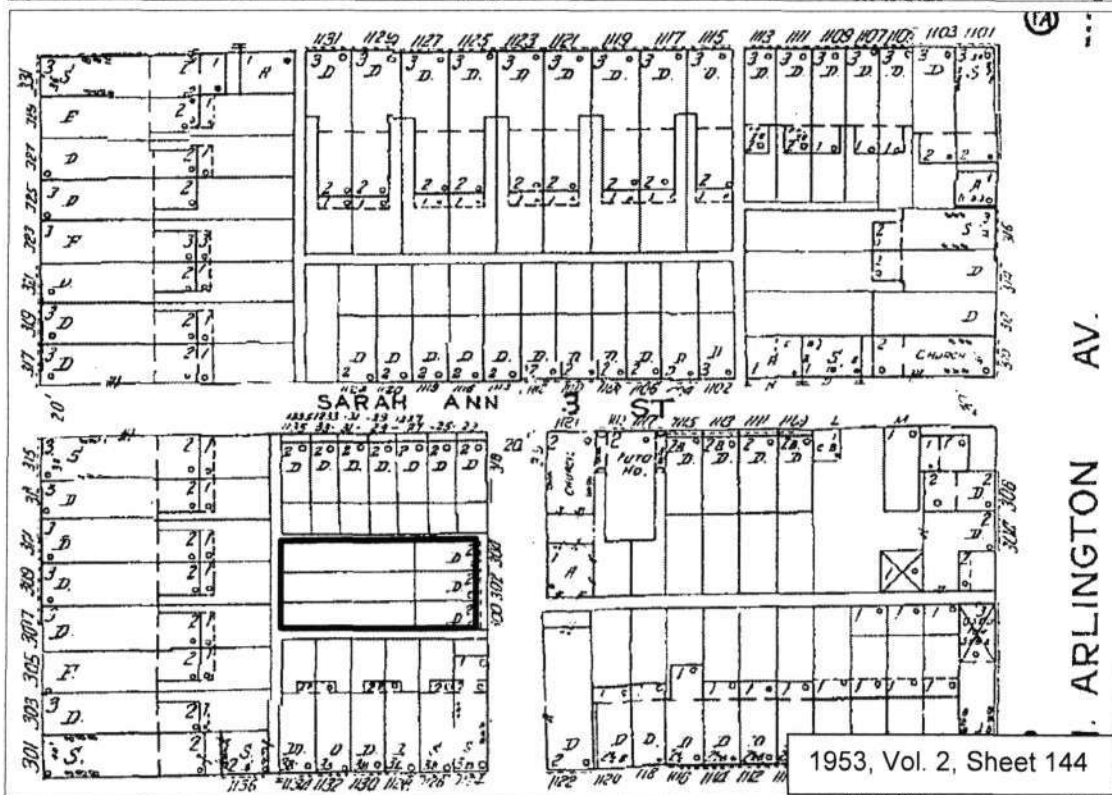

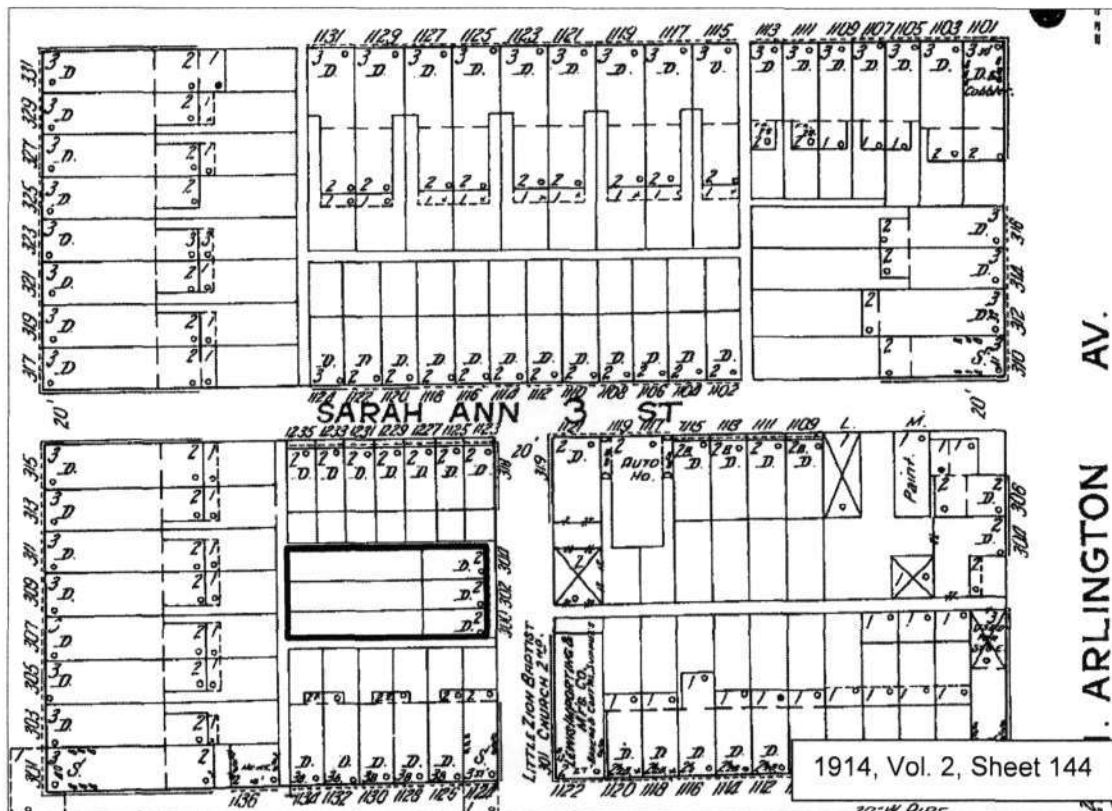

Environmental context:

The falling-in garage across the street and the cleared lot at 1122 W. Saratoga doesn't help the environment but, like Sarah Ann Street, this is a quiet, small street and is ideal for couples.
